

February Report 2018
By Thomas Woolley

Past Events

Lecture with Jeff Forshaw and Mark Lancaster

- Hosted at UCL
- A handful of Imperial students attended
- Turnout was probably low because people did not wish to travel to UCL. This is always an issue with event that are held outside of campus.

Conference with UCL (Cost = £89)

- Had a range of undergraduate and PhD speakers
- Had 4 people presenting posters during the break
- Turnout for each talk was about 30 – could do better with more advertising in advance
- Had some pizza during the break
- Future aims could be to make this a much bigger event. Could aim for 100 people per lecture with advertising to other departments.

Planned Events

Bowling (12th February) (Cost = £150 ish)

- Doing Mums and Dads family bowling
- Union gave us grant for Mums and Dads events (£250)

Tour (25th - 28th March) (Cost = £1000)

- 30 students
- Approximately £150 per ticket
- Berlin
- Aiming for 4/5 committee members

Leavers Party (Early June) (Cost = £500)

- Usually held in the department – Most likely will still do that
- Potentially rent out QTR for this
- Invite 3rd and 4th years as well as staff
- The department have offered us financial support if we get a certain number of NSS responses

Welfare Week (During Exams) (Cost = £500)

- Got a grant from the union to spend on a welfare week = 600
- Work in conjunction with the department to provide this
- External experts, yoga, meditation and mental health awareness

Expenditure Summary

| Event / Item | Amount (£) |
|----------------|-------------|
| Conference | 89 |
| Bowling | 150 |
| Tour | 1000 |
| Leaver's Party | 500 |
