**A. Overview of events in the 2nd term**

- Organization of curry nights (to be started ASAP, a few restaurants have been contacted), Revel, etc.
- First curry event could be marketed/timed to be post-exam celebration. The pairing is to be considered(e.g.: starts with Maths and Physics)
- Sports day requires extra planning, possibly starting during Christmas, especially in terms of publicity. Date is in early February. A timeline is to be put together by RK and circulated among the committee. MM and KD will be in charge of organizing curry nights, RK and SM of sports day.
- MM suggests there should be more RCSU involvement in Revel, and the venue should be settled during Christmas, during which period publicity should also start. MM suggests professionally-made poster with RCSU logo should be made in advance.

**B. RAG Champion's roles**

- RAG champion's role is to co-ordinate between RCSU and RAG Committee. We aim to increase RAG awareness. Small-scale events are suggested.
- MM suggests fundraising ideas such as selling sponges and candy floss machine. Communication between RAG Champion and Chair is to be set up first, which is JW's main responsibility, among other roles such as logistics and

coordination with main RCSU committee members, especially with VP Activities RK.

**C. Other affairs**

- Shervin's mainly in charge, but a executive meeting is needed to discuss the details.
